7.2 – Best Practices

7.2.1 – Describe at least two institutional best practices

PRACTICE 1: In our college, we have a 'study circle' in which all interested students are participating to discuss curricular as well as other general matters. They meet in regular weekly intervals. Slow learners are encouraged to join the circle. Teachers support the students of the circle by giving timely guidance. One of the members of the circle secured FIRST RANK in the Kuvempu University B.A. examination of 2018 19. Books are also provided to the students of the circle by the teachers and also from the Departmental Libraries. Members are also encouraged to prepare themselves for competitive examinations.

PRACTICE 2: MID DAY MEAL PROGRAMME: Midday meal is provided in the college at subsidized rate of Rs.10/ per meal. About 150 students coming from remote villages and from economically backward groups are benefited from the programme. The scheme is open for all the students.

Upload details of two best practices successfully implemented by the institution as per NAAC format in your institution website, provide the link
