

### **PRACTICE1: STUDY CIRCLE**

In our college, we have a 'study circle' in which all interested students are participating to discuss curricular as well as other general matters. They meet in regular weekly intervals. Slow learners are encouraged to join the circle. Teachers support the students of the circle by giving timely guidance. One of the members of the circle secured FIRST RANK in the Kuvempu University B.A. examination of 2019-20. Books are also provided to the students of the circle by the teachers and also from the Departmental Libraries. Members are also encouraged to prepare themselves for competitive examinations.

### **PRACTICE 2: Wall magazine :**

Students of various Department of our college regularly prepare wall magazine of college activities as well as current affairs and academic progress. The published on department notice board.
